Icon Productions presents, with Anthony Buckley Productions and the Australian Film Finance Corporation

A film by George Whaley
Queensland, Australia

It was a tough life in the bush - for the selectors anyway ...

the little battlers who were allowed to select bits of poor land for farming.

The squatters had grabbed all the best country.

The squatters hated the selectors and the selectors loathed the mongrel squatters.

My oath!
the little battlers who
were allowed to select bits
of poor land for farming.

The squatters had grabbed
all the best country.

The squatters hated the selectors
and the selectors
loathed the mongrel squatters.

My oath!
